ELIMU254 ASSESSMENT SERIES

Kenya CBC | Junior School | Grade 9

MARKING SCHEME

906/1 Agriculture and Nutrition | Paper 1 | Term 2 End-Term 2026

CONFIDENTIAL: for the teacher. Keep this marking scheme away from candidates until the assessment is over.

HOW TO MARK THIS PAPER

- Section A: 1 mark for each correct letter (30 marks). A question with more than one letter marked earns no mark.
- Section B (40 marks): each part lists the answers to accept, and the note under it says how many points to credit and how many marks each earns.
- Accept any answer that means the same as a listed point, in the learner's own words. Do not deduct marks for spelling unless the meaning changes.
- Where a part asks for a number of points (for example "state two"), mark only the first ones the learner gives, up to that number.
- Add Section A and Section B for a total out of 70, and fill in the score table on the paper's cover.
