TERM 2 2026

**For the teacher or parent. Keep these answers away from the learner until the homework has been handed in.**

#### HOW TO MARK

- Each question lists the answers to accept and how many marks each earns.
- Accept any answer that means the same in the learner's own words. Do not take off marks for spelling unless the meaning changes.
- Where a question asks for a number of points (for example "state two"), mark only the first ones the learner gives.
- Write the score on the homework record on the cover of the learner's booklet.
